Wine Tasting at Quiet Walker Lodge

During the months of September and October, we will be featuring wine tasting on Saturday afternoons. Our guests will be able to enjoy a variety of Eastern Iowa wines and keep the Quiet Walker Lodge glass as a souvenir.

During September, we will be featuring Wide River Winery from Clinton, Iowa. One of my favorite wines is Spring Fever. This is a seasonal and semi-sweet wine made from Vidal grapes. The wines from this winery all have a legal theme to the title. This is because the family who owns and operates the winery has many lawyers in the family and

they like coming up with wine title names such as Ms. D'Meanor White, a tangy wine made from Riesling, Chardonnay and Vidal Blanc. The wine is light and citrusy and is an excellent choice for Oriental foods or pork.

So book your reservation soon at QWL and come and enjoy the wines of the Upper Mississippi Valley.

Fairytale Weddings

The summer months are very popular for weddings here at Quiet Walker Lodge. Brides love the garden like scenery and are especially fond of saying their vows under the giant willow tree on the south end of the property.

This June, fifty guests descended on Quiet Walker Lodge to attend one of these outside weddings. The reception was catered by Hy-Vee and guests were treated to a lovely dinner and a beautiful evening to celebrate!
